

Department of Sociology
Honors Thesis Proposal Guidelines and Form

All students must write and receive approval for an honors thesis proposal prior to enrolling in SOC 4510 Senior Honors Thesis. The thesis proposal should be approximately 10 pages long and include the following components: introduction, literature review, proposed research plan, and references. The student's Honors Thesis Advisor is expected to supervise the process of developing and writing the thesis proposal.

Please attach the honors thesis proposal to this form and submit to the Departmental Honors Director in order to enroll in SOC 4510.
